

Directions to The Bell

Address: Prince Avenue, Southend on Sea, Essex, SS2 6RL

Take the **A127** (J29 off the M25) to Southend-on-Sea.

Once you've gone past the A130 junction (signposted to Chelmsford) you'll go through an underpass at Rayleigh and then you'll come to the 40MPH and 'Welcome to Southend' signs. Watch out for the speed cameras – there are a few to catch you!

You'll then come through various sets of traffic lights.

One of the early sets will be a major traffic lighted junction (Kent Elms Corner), with an Essex Ford showroom on the left.

Go straight over.

Following this you'll arrive at a roundabout with a Travel Inn (Strawberry Fields) and a 'Tesco's' on your left. Go straight over again, staying on the dual carriageway.

At the next main junction with traffic lights, you'll see the Bell on the left – it's the Toby Carvery on the corner. To get to it, turn left at the lights into Rochford Road, and take an immediate right into the car park.

The meeting venue is upstairs on the first floor – entrance at the rear on the right.
